

# Music “EFFECTS” the Plot Power

*An Interactive Soundtrack Adventure for Young Storytellers*

## About the Show

Can your students transform a story's emotions, pace, and energy by changing the music and selecting their own unique adventure?

Music “EFFECTS” the Plot Power is a choose-your-own-adventure that teaches how music and foley effects influence emotion, pace, and storytelling. This isn't just a show—it's a live **HIGHLY** interactive experience where kids become the “symphony” of the story!
