

# X Marks the Math

*A High Seas Arithmetic Adventure for Young Pirates*

**For Grades 2-5 • Hands-On • Story-Driven Learning**

## About the Show

Can your students solve the clues, follow the angles, and reach the treasure on Paradise Island?

**X Marks the Math is a wildly fun, story-driven mathe-magical show that blends imagination, teamwork, and tons of arrrrrrgh-ithmetic! Brought to life by Capt'n Dreemie and Sailin' Syd!**

- + Designed for grades 2-5
- + Perfect for classroom-sized shows or small groups
- + Also available for assemblies, after-school programs, and summer camps
- + Combines critical math skills, teamwork, and treasure-hunt excitement

## Academic Focus Areas

This interactive program reinforces key math concepts commonly covered in grades 2-5, including:

### Operations & Algebraic Thinking

- + Solving word problems using addition, subtraction, multiplication, and division
- + Understanding patterns and relationships

### Geometry

- + Understanding angle measurement and using a protractor
- + Recognizing and drawing angles

### Measurement & Data

- + Telling and writing time to the nearest minute
- + Solving problems involving elapsed time
- + Solving problems involving perimeter

Each concept can be adjusted by age, with extra help given for younger students

## Format & Booking

- + Best for Classrooms or Small Groups (35-50 students)
- + Up to four 45-minute classroom shows per day
- + Option to adapt into 1-2 larger assemblies (by special request)
- + Additional sessions available upon request
